## EDGE 7 Application for 2026

The purpose of the EDGE 7 class is to provide an academically challenging program of learning. Students engage in **critical and creative thinking** activities and advanced **learning pathways to enhance talent development**. Students are supported to move from high potential to ultimately high achievement through deliberate adjustments to their learning program and groupings are made to meet the specific learning needs of students.

### Out of area students

Killarney Heights High School, Forest High School and Davidson High School administer the same exam at the same time. Please **sit the exam at your local school** and the results will be sent to the school you are applying to, as an out of area student.

If you do not live in one of the local areas for the high schools mentioned above **and** you will be applying to Davidson High School for 2026, you should sit the exam at **Davidson High School**.

Students who are successful in their application for this class, will also need to follow the *Davidson High School Out of Area Students process* to secure a place at our school. Please see the Davidson High School website for details.
